

IMOS Bulletin

Issue #16 October 2011

Welcome to the IMOS Bulletin. Please feel free to distribute this email bulletin to others. The Bulletin is also available for download from the website at <http://imos.org.au/bulletin.html>.

If you have any comments or questions regarding the IMOS Bulletin please contact the IMOS Project Officer, Marian Wiltshire, via email Marian.Wiltshire@utas.edu.au.

Recent News:

IMOS would like to congratulate our Advisory Board member, Mr John Gunn, on his appointment as Chief Executive Officer at the Australian Institute of Marine Science. The IMOS office can now confirm the appointment of Dr Ian Poiner as the Independent Chair of IMOS.

New Deployments

This section will list any new Facility deployments in the previous month

Argo- one Argo float has been deployed from the Lady Amber and another seven floats were deployed from the HMAS Parramatta in the Indian Ocean.

Animal Tagging and Monitoring – the facility has recently deployed the Rowley Shoal array, 2 temperature sensors and tagged 19 Grey reef sharks with AIMS in Western Australia.

New Data Streams

This section will list any new data streams that are publically available via the IMOS Ocean Portal <http://imos.aodn.org.au/webportal/> in the previous month.

National Mooring Network-

Data from the following moorings deployments are now available:

Great Barrier Reef (QLD), Capricorn Channel, Oct 09 – Apr 10

Great Barrier Reef (QLD), Palm Passage, Nov 09 – May 10

Great Barrier Reef (QLD), Myrmidon,

Great Barrier Reef (QLD), One Tree East

IMOS is supported by the Australian Government through the National Collaborative Research Infrastructure Strategy and the Super Science Initiative.

It is led by the University of Tasmania on behalf of the Australian marine & climate science community.

Great Barrier Reef (QLD), Heron Island South
M5 Coffin Bay (SA), Oct 09 – Apr 10
Maria Island (Tas), Nov 10 – Apr 11
Kangaroo Island (SA), Aug 10 – Mar 11
North Stradbroke Island (QLD), Dec 10 – Jul 11, Jun 11- Aug 11

Recent & Upcoming Events

For a full list of upcoming conferences please visit the Calendar page at <http://imos.org.au/calendar.html>. If you would like an event or conference featured on our website calendar please contact Marian Wiltshire via email Marian.Wiltshire@utas.edu.au

Job Vacancy: Marine Data and Network Manager. The Bureau of Meteorology are seeking a highly motivated individual to join the specialist Marine and Satellite Operations section of the Bureau to help support the management of key oceanic data sets coming from commercial ships (Ships of Opportunity Programme) and profiling floats (Australia's contribution to the global Argo array). Key responsibilities include network and data management and contributing to a national and international agenda on behalf of the Bureau. The position is for approximately 12 months, starting in November 2011. Applications close **Thursday 3 November 2011**. For more information: <http://bom.nga.net.au/cp/>.

31 January-3 February 2012 Australian Meteorological & Oceanographic Society Annual Conference, Sydney, NSW. For more information: <http://www.amos.org.au/2012conference/cid/1/parent/0/pid/1/t/2012conference/title/conference-home>

19-24 February 2012 AGU Ocean Sciences Meeting, Utah, USA. For more information: <http://www.sgmeet.com/osm2012/>

5-9 March 2012 GHRSSST Joint Working Group Meeting - Workshop on Tropical Warm Pool and High Latitude SST Issues, Melbourne, Australia. Click here for further information: <https://www.ghrsst.org/ghrsst-science/Meetings-and-workshops/workshop-on-tropical-warm-pool-and-high-latitude-issues/>.

23-27 April 2012 10th International Conference on Southern Hemisphere Meteorology and Oceanography. Nouméa, New Caledonia. <http://www.colloque.ird.fr/icshmo-2012/index.html>

2-13 July 2012 International Phytoplankton Identification Course 2012, Plymouth, UK. The workshop is aimed at all those working in the marine phytoplankton field and participants will be expected to have a basic knowledge of microalgae. Further details on the course and an

application form can be found www.mba.ac.uk/phytoplankton-workshop The deadline for applications is **2nd December 2011**.
